

Workshop Schedule and Times

Canyon Ballroom I & Canyon Ballroom III

Workshop Presenter	Workshop Title	Workshop Description	Location & Time
University of Arizona <i>Maya Salas</i>	Gender, CTE, & Nontraditional Career Success	Why do some jobs employ more men (construction and engineering), while other jobs employ more women (nursing and early childhood education)? This interactive presentation examines gender stereotypes and how they may limit student participation in CTE or impact their career choice. Together, we'll explore the benefits of gender nontraditional careers while encouraging one another to think outside the box.	Canyon I - 8:00 a.m.
Awaking Minds <i>Jose Oliver</i>	Enhancing Your Communications Skills	This workshop will allow the students to understand that we have different personality styles that affect the way we think and, thus the way we speak and act.	Canyon III- 8:00 a.m.
Foundation of Economic Education <i>Armando Regil</i>	What You Need to Know About Money before 20	This program introduces students to important financial topics that will help them understand how to plan for their financial future, how to think about their studies now to make the most of that financial future, and how to choose a career. It also explores how every action has a cost, explains why stocks have higher yields than bonds,	Canyon I - 9:00 a.m.

		and helps students map out a financial strategy.	
Up to IT <i>Zion Givens</i>	Am I Trippin'? Navigating Teen Mental Health for Future Business Leaders	In the dynamic world of business, mental well-being is a cornerstone of success. Join us for an engaging presentation catered to high school students with aspirations to lead in the business world, titled "Am I Trippin'? Navigating Teen Mental Health for Future Business Leaders." Led by Z, this session offers an insightful exploration into the intersection of mental health and professional growth. Through relatable stories and practical guidance, Z addresses the unique challenges encountered by high school students on their journey to becoming future business leaders. Participants will delve into open discussions and interactive activities aimed at fostering resilience, promoting self-care practices, and dismantling stigmas surrounding mental health issues. From stress management techniques to building healthy coping mechanisms, this presentation equips students with essential tools to prioritize their mental well-being while pursuing their entrepreneurial aspirations. Whether you dream of leading a Fortune 500 company, launching your own startup, or making an impact in any business field, this presentation empowers you to lay the groundwork for success by prioritizing your mental health. Join us for an enlightening session that inspires you to become not only successful business leaders but also advocates for mental wellness in your future endeavors.	Canyon III - 9:00 a.m.
