Transportation to/from Airport

Please note: FBLA does not provide airport transportation; chapters are responsible for coordinating their own travel arrangements to and from the airport. Below are potential options for attendees.

Hotel Shuttles: There are several hotels that provide free shuttle service to and from the airport. Check out the [airport's website](#) to find hotels that offer this service to their guests.

Supershuttle: Booking available via [SuperShuttle's website](#).

Private Bus Reservations at Convention Center

Does your group plan to use a private bus for transportation to/from the Convention Center? Any groups that plan to have a private bus drop-off or pick up students during the conference must notify FBLA at support@fbla.org for further instructions.

Safety & Security

- Keep your NLC badge with you as you travel in Anaheim, but don't wear it outside the convention center.
- Sharing your NLC badge is strictly prohibited. Additionally, sharing the badge weakens on-site security and prevents FBLA from reaching your emergency contact(s) if needed.
- Students should never travel alone. Always travel with a partner or in groups.
- When walking, stick to well-lit, busy areas. Don't be distracted by your cell phone. Stay alert of your surroundings.
- Project a confident image; walk with a purpose.
- Heed warnings about the weather. Strong winds may affect transportation schedules.
- Ride the FBLA buses to and from the Anaheim Convention Center to your hotel.
- Advisers should always know the whereabouts of their students.
- Keep your hotel room secure by always closing and locking your door, even if you're inside.
- Always keep valuables and personal items such as your laptop under close supervision and out of view.
- When in crowds, stay vigilant for thieves such as pickpockets. Maintain close control of handbags and purses and avoid placing valuables such as wallets and cell phones in back pockets.

- When using an ATM, keep a close watch on your surroundings. If possible, use an ATM in a well-lit public area and do not use it alone. Do not count money received while standing near the ATM.
- If you see something, say something. Contact local emergency authorities and FBLA staff.
- Do not give your phone number to anyone.
- Do not go off with anyone you don't know.
- Do not give money to panhandlers.
- If you are the victim of a robbery, it is inadvisable to fight or resist. Hand over cash and valuables and take no aggressive action unless forced to do so.

Health and Medical Attention

If there is a medical emergency at the Henry B. Gonzalez Convention Center:

1. Assess the situation and remove any hazards.
2. Call 911 and give your location and a description of the medical emergency.
3. Do not move the injured person unless there is imminent danger.
4. Call HBGCC Building Security at (210) 207-7773.
5. Call the FBLA Emergency Line at (703) 439-1911.

BECOME AN ENROLLED AGENT

What is an Enrolled Agent?

Enrolled agents (EAs) are America's Tax Experts®. They are the only federally-licensed tax practitioners who both specialize in taxation and have unlimited rights to represent taxpayers before the Internal Revenue Service. These tax specialists have earned the privilege of representing taxpayers before the IRS by either passing a three-part examination covering individual tax returns; business tax returns; and representation, practice and procedure or through relevant experience as a former IRS employee. All candidates are subjected to a rigorous background check conducted by the IRS.

Enrolled Agent status is the highest credential the IRS awards.

Experience

All EAs specialize in taxation and go beyond basic requirements.

Expertise

Enrolled agents have unlimited practice rights before the IRS

Top Reasons To Become An EA:

- Ⓞ Fewer requirements than obtaining CPA license
- Ⓞ EAs are more than tax practitioners with IRS Representation expertise
- Ⓞ Higher salary potential compared to unenrolled tax preparers
- Ⓞ EAs can practice in any state

What Enrolled Agents Do

Enrolled agents advise, represent, and prepare the tax returns of individuals, partnerships, corporations, estates, trusts, and any other entity with tax reporting requirements. EAs prepare millions of tax returns each year and their expertise in the continually changing field of taxation enables them to effectively represent taxpayers audited by the IRS. In addition to tax preparation and tax representation, many enrolled agents offer other business-related services, which may include:

Bookkeeping

Financial planning or budgeting

Payroll Services

Preparation and Assistance

Competitive Events Operations Manual

The [Competitive Events Operations Manual](#) will serve as a guide to address competitive event questions that arise throughout the membership year. This document and the policies described herein shall be overseen and carried out by the National FBLA Competitive Events Committee.

Honor Code

The Future Business Leaders of America (FBLA) Honor Code embodies principles of integrity, trust, respect, and responsibility essential for fostering excellence and ethical leadership in a community devoted to learning.

Every member, local adviser, and state leader must maintain and enforce these principles. To ensure a high standard across FBLA, every competitor registered in any competitive event must agree and certify to comply with the following guidelines:

- **Compliance:** Competitors are required to read and adhere to the FBLA Competitive Event Guidelines relevant to their event.
- **Original Work:** Competitors must ensure that all content submitted for FBLA competitive events is their own work or that of their team members. Proper citation of sources is mandatory.
- **Use of Materials:** Only materials explicitly allowed by FBLA Competitive Event Guidelines may be utilized.
- **Independence:** No external assistance beyond what is explicitly permitted in FBLA event instructions or guidelines is allowed.

- Cell Phones, Smart Devices, & Headphones: Unless a pre-approved accommodation is in place, all cell phones, smart devices (such as watches and glasses), and headphones must be turned off and put away before testing or role play competition begins. Any report of the devices being visible or in use will be considered a violation of the Honor Code.
- Data Storage: Competitors are prohibited from saving any FBLA competitive event or test materials provided by the FBLA National Center or a state organization to any storage device or cloud storage.
- Originality: Competitive entries must be entirely original and not previously entered in FBLA national competition by the competitor or others. (It is the intent to preclude local chapters from rewriting the same event, and it is recognized that chapters may utilize the same or similar activities on an annual basis in some events. In this case, chapters may use these activities, ensuring that the project or portions of projects are not rewritten and therefore plagiarized.)
- Honest Participation: Competitors must engage in all FBLA competitive events with honesty and integrity.

In the event of an alleged Honor Code violation, the National Competitive Events Committee for the designated FBLA division will investigate. If a violation is confirmed, penalty points, including disqualification, may be imposed at the discretion of the National Competitive Events Committee. Additionally, information regarding the violation may be forwarded to the appropriate state FBLA organization for future action regarding academic integrity.

By registering for the National Leadership Conference, participants acknowledge their understanding of the Honor Code and the consequences of violating it.

Chaperone Policy

Future Business Leaders of America, Inc. (FBLA) has set forth its Chaperone Policy. Please be advised that your local school or school district may have specific rules that require a higher adult adviser/chaperone-to-student ratio. You should follow the rules of your school district if the requirements are more restrictive than those set forth by FBLA. If your school district or state does not have a chaperone policy or is less restrictive, you must follow the minimum FBLA Chaperone Policy outlined below.

Adviser/Chaperone Requirements

- All chapters attending national conferences are required to have a 15:1 ratio of students to advisers/chaperones for High School groups and Middle School groups.
- All advisers/chaperones must register for the conference, pay the required registration fee, and attend the conference for supervision of the student(s), or be in close proximity if they are an additional chaperone.
- Chaperones can be advisers, parents, or guardians, but they should be at least 21 years of age.
- This policy applies to Middle School and High School only, including graduated seniors who are completing the current program year.

Registration – All chapters must have at least one fully registered adult chaperone.

Conference Check-In – The school’s adviser must be present at the conference check-in. Students will not be provided with conference materials without an adult chaperone present.

On-Site Expectations of Advisers/Chaperones – Advisers/Chaperones are assuming a 24-hour-a-day responsibility from the time they leave until they return. Therefore, advisers/chaperones should:

- Be attentive to the needs of the students and be the students’ primary adult contact.
- Know the locations and whereabouts of each student assigned to them during the trip.
- Keep an accurate check of their students at all times during the conference; students should not be left unattended, including outside of the conference.
- Promote FBLA as a positive student experience and therefore act as a positive role model for students in dress, voice, attitude, actions, and demeanor.

- Follow the FBLA Dress Code themselves during all conference activities, including the Future Leaders Expo Hall, workshops, and opening/closing sessions.
- Ensure all students are checked in to their hotel room for the night at curfew and remain quiet and respectful of other hotel guests.

FBLA Dress Code

All conference attendees are expected to follow the FBLA Dress Code for all official conference activities. Attendees do not need to be in the dress code for evening social activities excluding General Sessions.

FBLA members and advisers should develop an awareness of one's appearance. The purpose of the dress code is to uphold the professional image of the association and its members and to prepare members for the business world.

During FBLA conferences, appropriate attire is required of all attendees and presenters.

DRESS CODE

Projecting a professional image is vital for business leaders to demonstrate respect for clients, colleagues, and others. This policy is to provide guidance for conference attendees—students, advisers, and guests. Professional business attire is required at all general sessions, competitive events, exhibits, regional meetings, workshops, and other activities unless otherwise indicated in conference materials.

Conference name badges are considered part of the dress code and must be worn at all conference functions. For safety reasons, do not wear conference badges outside of the conference area. The dress code is gender neutral.

Advisers should indicate the need for exceptions on the special accommodation portion of the registration form. Requests made after registration closes must be made in writing.
