

2023 ONLINE TESTING TOURNAMENT

Who:

All FBLA Chapters members are encouraged and invited to participate in the 2023 Online Testing Tournament. This tournament is free for all registered members but you must be registered with Nationals in order to compete.

What:

The FBLA Online Testing Tournament encompasses some awesome opportunities.

First, it's online testing. During the tournament, students have the opportunity to take as many online tests as they would like. However, you can only take each test once.

Second, it's a chapter competition! The top three chapters from each region will be recognized on stage at their respective Regional Conferences. Additionally, the top three statewide chapters will be recognized on stage at the State Leadership Conference in April. Top Chapters will be determined based on the point system below.

1st Place	5 points
2nd Place	4 points
3rd Place	3 points
4th Place	2 points
5th Place	1 point

Where:

Online! All competitors will be required to fill out and submit an honor code form **BEFORE** they take any tests. The honor code form will verify that they have read and will abide by the 2023 Online Testing Tournament Guidelines. If the honor code form is not submitted with each test, the test will not count and your score will be disqualified.

Testing:

During the Online Testing Tournament, every test is taken as an individual – there are no collaborative or team events. After the tournament, your adviser will receive your scores that may help you determine which events you would like to compete in at the Regional and State Conferences.

When:

Registration will be accepted during the entire tournament. Testing will be open from 7:00 a.m. – 5:00 p.m. unless otherwise requested. The tournament will be open from October 1 – December 1, 2023.

Results will be available sometime during the second week of December. The following tests will be offered:
