

2025 ONLINE TESTING TOURNAMENT

Who:

All FBLA Chapter members are encouraged and invited to participate in the 2025 Online Testing Tournament. This tournament is free for all registered members, but you must be registered in the national FBLA membership system to compete.

What:

FBLA Fall Online Testing Tournament allows students to test their knowledge on some practice tests in various areas in hopes of helping students pick events that interest them for competition and to find things they are good at. It also encompasses some awesome opportunities.

First, it's online testing. During the tournament, students have the opportunity to take as many online tests as they would like. However, you can only take each test once.

Second, it's a chapter competition! The top three chapters from each region will be recognized on stage at their respective Regional Conferences. Additionally, the top three statewide chapters will be recognized on stage at the State Leadership Conference in April. Top Chapters will be determined based on the point system below.

1st Place	5 points
2nd Place	4 points
3rd Place	3 points
4th Place	2 points
5th Place	1 point

Where:

Online! For the Online Testing Tournament, the only requirement is that tests be taken in your school environment. We will follow the same proctor rules that we do for the State Leadership Conference. The adviser must complete the **Online Testing Proctor Certification** for each testing date and help proctor the test. Failure to do so will result in disqualification. You may not compete at home. All competitors will be required to fill out and submit an **Honor Code Form BEFORE** any tests are taken. The **Honor Code Form** will verify that they have read and will abide by the 2025 Online Testing Tournament Guidelines. If the honor code form is not submitted with each test, the test will not count and your score will be disqualified.

Testing:

During the Online Testing Tournament, every test is taken as an individual – there are no collaborative or team events. After the tournament, your adviser will receive your scores that may help you determine which events you would like to compete in at the Regional and State Conferences.

When:

Registration will be accepted during the entire tournament. Testing will be open from 7:00 a.m. – 5:00 p.m. unless otherwise requested. The tournament will be open from October 1 – December 5, 2025.

Results will be available sometime during the second week of December. The following tests will be offered:

High School Tests Available

Accounting
Advanced Accounting
Advertising
Agribusiness
Banking and Financial Systems
