# SUPPLY DRIVE FOR AUTISM

---

FBLA Arizona has joined in on a state-wide community service project to help children with autism

Help us unite Arizona while giving back

## Where Can I Donate?

Please bring your donations to the registration table at your Regional Conference.

## What Should I Donate?

At the end of this flyer you will find a list of items. This list was given to us as a guideline. In general, we are looking for classroom supplies and items to help with sensory issues. You may also bring a cash donation from your chapter.

## Chapter Award

With each donation, we will keep track of points based on the size of each donation. Chapter recognition will be given for those who participate as well as those who have the most points.

## Additional Information

We will also be holding a Miracle Minute fundraiser during opening session. All proceeds will be donated to Autism Awareness.

# ITEMS TO DONATE
